## About me

Senior open source expert with long-time experience in software (programming, databases, tooling, stack integration) hardware (servers, desktops, components, experimental and pre-series hardware), emerging technologies, accessibility, project and release management, information security, data protection, communications, decentralized federated social web (e.g. Fediverse), and people.

Mentor, navigator and clarifier. Inquisitive and curious. Collaborator. Problem solver and mediator.

## What I am looking for

Strategist or communications role in areas of developer-community relations, fediverse and/or accessibility, not sales or marketing roles.

## Work Experience

2021-2026: Community Manager, Greenbone AG, Osnabrück, Germany

2019-2021: CEO, Feilner IT, Regensburg, Germany

2016-2019: Services Engineer, Developer Liaison, Hardware Enablement, SUSE Linux GmbH, Nürnberg, Germany

2006-2013: Vice President, Movies on a Big Screen, Sacramento, California, (USA)

2005-2011: Vice President, Shiny Object Digital Video, Inc., Sacramento, California, (USA)

1992-2005: Information Technology Manager, Director of Technical Services: LexisNexis State Net, Sacramento, California, (USA)

## Volunteer Experience

Assistance and contributions to multiple open source projects in a variety of areas:

- Accessibility (Universal Tux meta-project),
- Fediverse (Diaspora, GNU Social, ActivityPub, mobile applications),
- Linux Desktop (KDE, Gnome),
- Hardware testing (Media, City of Treuchtlingen),
- Event/Conference support (Audio/Video),
- Documentation and Mentoring (Onboarding/new user guidance, writing and reporting).
